THE MULTI PASS PORTES DU SOLEIL - WHAT IS IT?

It's the card that allows you to enjoy 60 activities without any limitations during your stay in the Portes du Soleil. In addition, it's free for children under five!

The Multi Pass also allows you to take advantage of discounts (at least 10% off) at more than 40 tourist attractions and with activity providers in the area.

YOU ARE:

A day visitor

How does it work?
“Day” Multi Passes are on sale at the ski lift ticket booths and at the tourist offices in Abondance, La Chapelle d’Abondance, Morgins and St-Jean d’Aulps. Remember to keep your proof of purchase from the ticket booth!

How much does it cost?
9 € or CHF 11,- per person for the day and is available to all, no strings attached.

A Portes du Soleil addict

How does it work?
“Season” Multi Passes are on sale at the ski lift ticket booths and at the tourist offices in Abondance, La Chapelle d’Abondance, Morgins and St-Jean d’Aulps. These cards bear the owner’s name; they are non-transferable and inalienable. They cannot be refunded or replaced if they are lost or stolen.

How much does it cost?
75 € or CHF 85,- per person.

The Season Multi Pass is available to all, no strings attached.

A MADE-TO-MEASURE PASS
We have devised packages adapted to your needs so you can make the most of your stay.
Whichever package you choose, you must purchase a hands-free holder to be able to credit your Multi Pass and gain access to the activities freely. Price: €1 or CHF 1.5*, each, non-refundable.

It will then be reusable in both summer and winter at the Portes du Soleil's 12 resorts.

You can spot Multi Pass partners easily thanks to the badge displayed at the entrance as well as on their websites.

Offer valid from 15 June to 8 September 2019, subject to the service providers' participation, availability, opening hours and dates, according to the general conditions of sale in force.
